

We will send you a return towards the end of each tax month (a tax month runs from the 6th of one month to the 5th of the next). We will fill in the return with the information that we hold about your business and the subcontractors that have been verified. You must check the information on the return, add any new subcontractors not already shown, enter details of all payments with details of deductions and consider and sign the declarations. You must send the completed and signed return to reach us by the 19th of the month, otherwise you will incur a penalty.

WHAT TO DO NEXT

- If you fill in any continuation sheets you must send them back at the same time as your main monthly return otherwise your monthly return is incomplete.
- Please do not fold or staple any sheets together - keep them flat and use the envelope provided.
- Please send your completed return, including any continuation sheets, to: HM Revenue & Customs, Construction Industry Scheme, Comben House, Farriers Way, Liverpool, L75 1HL.
- If a payment is due, send it to your HMRC Accounts Office and not with this return. See your P308C - Payslip Booklet for notes on how to pay.

If you do not plan to pay subcontractors for a while, place an 'X' in the box and we can stop sending you returns for the next six months. Important - You must tell us as soon as you start paying subcontractors again as it is your responsibility to ensure a monthly return is submitted when one is due.

Unsigned returns will not be accepted and will be sent back to you. If we receive your return later than the 19th of the month you will incur a penalty.

Please send your return to this address by the 19th of the month otherwise you will incur a penalty. You should get your return back to us by this date regardless of whether you are in discussion with us about any issues concerning the return.
